Honorable William J. Casey
Director of Central Intelligence
Washington, D.C. 20505

Dear Mr. Casey:

The 1985 conference sponsored by DIA to acquaint Department of Defense junior intelligence officers with the entities, activities, and perspectives of the U.S. Intelligence Community was a highly successful endeavor. The measure of success which we were able to attain in last year's conference was directly related to the arrangements which your agency made in supporting the event, and was most beneficial in expanding the conferees' knowledge on the relationships and interface of community components. I feel strongly that we must continue efforts of this nature to insure our success in grooming junior intelligence officers to meet the leadership challenges of the future.

Accordingly, DIA is planning to host a Junior Intelligence Officers' Conference in Washington, D.C., during July 1986 for officers personally selected by their Service Intelligence Chiefs and the U&S Command J-2s. We again plan to organize the conference around a week-long series of seminars, briefings, and tours. It is our intent to provide the conferees an opportunity for dialogue with leaders of the community and to meet decisionmakers who use intelligence products.

STAT My staff has had preliminary discussions with [redacted] of your Office of Training and Education regarding a visit by the conferees to CIA on 8 July 1986 from 0900 to 1200. As presently planned, the officers will be afforded an insight into CIA and its relationships with the Intelligence Community and the other branches of the Government. If your busy schedule will permit, some personal comments to the conferees would be extremely beneficial. We remain particularly grateful for your agency's participation in the 1985 conference which was a highlight of the conferees' week-long activities. DIA point of contact is [redacted] USAF, telephone 694-3254.

STAT

Sincerely,

1 Enclosure
